Link with your child (optional)
You can link with your child to view their myBlueprint account by following these steps:
1. From the account sign up page, click on Link to a student
2. Enter your child’s Peel District School Board email address (six-digit student number 123456@pdsb.net)
3. Click Find Student and Add This Student

Explore your Student Demo Account
From your Dashboard, click go to Student View to access a demo student account to explore:

- **Who am I?** – six unique assessments for self-exploration and discovery (including Learning Styles, Myers-Briggs Personality, Holland Interests, Knowledge, Motivations, and Compatibility)
- **High school** – a tool to visually plan courses, track progress toward graduation, and instantly identify post-secondary eligibility for opportunities in all pathways
- **Portfolios** – add documents, videos, photos, or links to create multiple portfolios and share with parents, teachers, or future employers
- **Goals** – an interactive goal setting tool to set S.M.A.R.T. goals and action plans
- **Post-secondary** – a database to explore post-secondary opportunities and compare detailed information on apprenticeships, college programs, university programs and workplace sectors across Canada
- **Occupations** – a database of more than 500 occupations to compare comprehensive information on jobs
- **Resumes and cover letters** – tools to record personal experiences, build resumes and write cover letters
- **Money** – a budget-making tool to help students track income and expenses and develop financial literacy

Note: Your child will login to their account through the Peel BYOD page.
