

Welcome!

Let us help you register your child for school

We're so glad you moved into this community. If you have school-age children, one of the first things you'll probably do is register them for school.

Our schools

The Peel District School Board has more than 230 elementary and secondary schools. We are committed to helping all students achieve to the best of their ability. In addition to academics, we offer excellent character development programs. You and your child are certain to feel welcome and included—we value and celebrate diversity, and are dedicated to helping students become global citizens who understand and respect each other's beliefs, customs and traditions.

Call our Planning and Accommodation Department at 905-890-1010 or 1-800-668-1146 ext. 2212 to find out which school your child will attend, or visit www.peelschools.org and click on 'Find Your School'.

Where to register

Register your child at the school he or she will attend. Schools accept registrations throughout the school year. It's best to visit the school Monday to Friday, between 9 a.m. and 3 p.m. You can also contact your school to set up an appointment. You will find contact information at www.peelschools.org in the 'Schools' section.

If your family is new to Canada, your child may need an orientation interview to register for school. Please call our We Welcome the World Centre at 905-366-8791 to talk to our staff and book an appointment. Our welcome centre staff members speak various languages. There is no fee for registration.
