1. Open Session

The Open Session commenced with the singing of O Canada, and the acknowledgement that the meeting is being held on the traditional territory of the Mississaugas of the Credit First Nation.

2. Approval of Agenda

Chair MacDonald referred to the circumstances at the February 25, 2020 Regular Meeting of the Board. He confirmed the rationale for Peel Regional Police being called to the Central Board Office. He stated that he appreciated that the presence of police can feel threatening and apologized for any negative impact that has resulted from having them attend.

Trustee McDonald requested that the following items be deferred to the next Regular Meeting of the Board, if the topics have not been addressed through the Ministry review.

- Item 9.1 Notice of Motion: Trustee McDonald regarding appointment of a We Rise Together Coordinator
- Item 9.3 Notice of Motion: Trustee McDonald regarding implementation of a de-streaming pilot
- Item 9.6 Notice of Motion: Trustee McDonald regarding racial data of students in gifted, vocational and regional programs.

Item 9.8, Notice of Motion: Trustee Cameron regarding writing a letter to the Minister of Education, was withdrawn by Trustee Cameron.

Vice-Chair Green indicated that he had a notice of motion to bring forward tonight; however, in the interest of time, he asked that trustees support waiving the notice requirement, and that the motion be dealt with today. He read his notice of motion. Chair MacDonald indicated that, if the waiver is approved by trustees, the Notice of Motion will be added as Item 9.9, Notice of Motion: Vice-Chair Green regarding cancellation of Regular Meeting of the Board.

Resolution No. 20-85 moved by Robert Crocker
seconded by Will Davies

Resolved, that the agenda, as amended, be approved.

..... carried
2/3rds' majority

3. Conflict of Interest

There were no declarations of conflict of interest.

4. Minutes of the Regular Meeting of the Board, February 25, 2020

Resolution No. 20-86 moved by Kathy McDonald
seconded by Susan Benjamin

Resolved, that the Minutes of the Regular Meeting of the Board, held February 25, 2020, be approved.

5. Written Questions

1. Trustee McDonald submitted the following questions:

What measures have been invoked by the Peel DSB to keep students safe following March Break? Are there plans to purchase hand sanitizers for classrooms?

2. Student Trustee Arora submitted the following questions:

During the month of June, how does the Peel DSB celebrate queer identities and recognize Pride month? What measures has the Board taken to ensure inclusivity of LGBTQ+ identifying students, throughout the school year? What training is currently available to staff for creating safe spaces in classrooms?

3. Trustee Sohi submitted the following question:

What restorative practices from an anti-bias and anti-oppression lens are being utilized, taking into consideration the Board's community and student demographics?

4. Trustee Benjamin submitted the following questions:

Will staff and students who travel outside Canada need to self-identify on their return? If a staff member is diagnosed with COVID-19, and needs to self-isolate for 14 days, how can the Board help these staff, especially contract staff? Is it advisable to have meetings/conferences and other gatherings in closed spaces during this period?

6. Notices of Motion

1. Trustee McDonald submitted the following Notice of Motion:

“Be it resolved, that the Peel DSB formally recognize United Nations Declaration contained in Resolution 68-237 adopted on December 3, 2013, that 2015-2024 be declared the International Decade of Peoples of African Descent, beginning September 2020 until the end of 2024.”

7. Petitions

There were no petitions.

8. Delegation by Graeme Melvin re Rental of School Facilities and Partnering with Community Groups

Graeme Melvin provided his speaking notes to the Board in accordance with Board By-law. He introduced himself as the lead pastor of The Meadows Church, which has been renting Board facilities for the past nine years. He reported that the Church has invested significant amounts of money, and volunteer and professional time to care for the neighbourhood. Stating that the main request of his delegation is for the Board to grow its vision in partnering with community groups, he commented that this can happen with a commitment to reasonable long term rental rates. Graeme Melvin highlighted the lack of rental opportunities in the Region of Peel, the support provided by the Church for families and the neighbourhood, and the diversity of his congregation. Referring to the announcement made by the Government regarding restoring funding, he asked the Board to take an in-depth look at the real cost of renting school space, and commit to a long term promise on rental rates. Graeme Melvin responded to questions of clarification, which included: the increase in rental rates was approximately double earlier rates; the absence of a long term commitment will be challenging; new community centre space appears to be already booked; the Church has partnered with other organizations on a joint petition to the Government.

9. Delegation by Tope Adefarakan re Black History Month – Policing of Black Students

Tope Adefarakan provided brief notes to the Board. She spoke about the impact of anti-black racism in education as a black parent, how the black community is perceived, and the power of institutions and systems. She referred to the police being called at the last meeting, and suggested a third party needs to facilitate discussions between the Board and the black community. Tope Adefarakan asked the Board to take action in several areas, including: accountability for harms caused; removal of School Resource Officers; collection of race-based data; setting up an Africentric school for black children. She responded to trustees' questions of clarification relating to examples of successful Africentric schools, and the school at which an anti-black racist song was played by a teacher when students were completing an assignment during Black History Month.

10. Notice of Motion by Trustee Crocker re Letter to the Minister of Education Requesting Retaining Funding Levels for Assessment and Mental Health Services

Resolution No. 20-87

moved by Robert Crocker
seconded by Sue Lawton

Whereas, the current cuts to public education will disenfranchise and hurt our most vulnerable students – the ones who live in poverty, and those who require Special Education supports to be successful;

10. Notice of Motion by Trustee Crocker re Letter to the Minister of Education Requesting Retaining Funding Levels for Assessment and Mental Health Services (Continued)

And whereas, there are too few psychoeducational consultants, speech-language pathologists, social workers and educational assistants to meet the current demands for assessment and mental health services;

And whereas, the needs of our students are becoming increasingly more complex and pervasive, and require Professional Student Services Personnel (PSSP) to evaluate students' needs, provide support and in-school strategies to assist them, and navigate the myriad community supports available with their families;

And whereas, access to educational programming that addresses the individualized needs of every student is a human right and requires PSSP and Educational Assistants' help to identify the necessary supports;

And whereas, it is our moral and ethical obligation to do all we can to provide students with the education and assistance they need to be independent, contributing citizens;

Be it resolved, that the Peel DSB urge the Minister of Education to continue to fund to at least the 2018-19 levels the vital services provided by our PSSPs, along with Educational Resource Facilitators, Early Childhood Educators and others to ensure the success of all students;

Be it further resolved, that this notification be shared widely with our partners in education.”

.....

The mover of the motion, Trustee Crocker, stated that the motion refers to funding to meet the needs of students. He indicated that the motion is not related to contractual conditions in the light of ongoing provincial negotiations, and he asked for trustees' support. Trustees spoke in favour of the motion, noting that special education has been historically underfunded, that there are long wait times for psychoeducational assessments, and that this motion covers the most vulnerable students. Stating that the budget for the upcoming school year will be announced by the Ministry shortly, a trustee thanked Trustee Crocker for bringing forward the motion in a form that can be supported by trustees. Another trustee recalled the appreciation expressed by a parent about the support she and her child were provided by school staff and administration. Chair MacDonald indicated that Peel staff do excellent work for their students, and that this motion speaks to the work of staff who are instrumental in changing outcomes for the most vulnerable students. He suggested that the letter will let the Ministry know the need and importance of increased funding for this sector.

11. Notice of Motion by Trustee McDonald re Video Recording Public Regular Meetings of the Board

The mover of the motion, Trustee McDonald, requested that “and live streaming” be added to her Notice of Motion

Resolution No. 20-88 moved by Kathy McDonald
seconded by Nokha Dakroub

Be it resolved, that Peel DSB begin video recording and live streaming of all public Regular Meetings of the Board.

.....

Requesting a recorded vote, Trustee McDonald stated that the motion aims to increase transparency at public meetings of the Board. She spoke of the value of visual communication and the importance for the public to be able to witness democracy in action. Noting that the meetings of the Region of Peel, City of Brampton and some school boards have live streaming and video recording, she stated that the additional cost will not be prohibitive, and she asked trustees to support her motion. A trustee expressed support, commenting that the meetings will become more accessible and available to the public.

Remarking that the motion has many advantages, a trustee noted that the Trustee Governance Committee has been established and suggested that this motion be referred to the Committee for discussion and evaluation of the proposal.

Resolution No. 20-89 moved by Will Davies
seconded by Susan Benjamin

Resolved, that Resolution No. 20-88 be referred to the Trustee Governance Committee.

.....

Trustees speaking in support commented that referral to the Trustee Governance Committee will provide an opportunity to seek more information, ask questions and gather input on the issue of video recording and live streaming. Members opposed to the referral questioned the need for delaying a decision in this regard, and stated that meeting dates of the Committee have not yet been scheduled. A trustee expressed the opinion that this is not a Governance Committee item, and the Board already has in place audio recordings of Regular Meetings of the Board.

11. Notice of Motion by Trustee McDonald re Video Recording Public Regular Meetings of the Board (Continued)

The result of the referral vote was as follows:

Resolution No. 20-89

Yeas	Nays	Abstentions
Trustees MacDonald, Lawton, Benjamin, Davies	Trustees Sohi, Green, McDonald, Marchant, Dakroub, Crocker, Cameron defeated (4-7-0)
	Student Trustee Nar, Arora	(0-2-0) (non-binding)

Discussion resumed on the main motion. A trustee asked as to who will be recorded during the meeting, as he had no desire to be video-taped. He also asked about the number of cameras used, and the possibility of identification. The mover of the motion explained her understanding that cameras will be at the back of the room, focused on trustees. Director of Communications and Community Relations Support Services, Carla Pereira, indicated that the field of vision is limited to the Board table, and a wider recording will require a second media person to be present. Vice-Chair Green indicated his concern regarding liability and privacy of children attending the meeting, and stated that focus of the video cameras should only be on the trustees.

Yeas	Nays	Abstentions

12. Notice of Motion by Trustee McDonald re Minutes of the Regular Meetings of the Board

Resolution No. 20-90 moved by Kathy McDonald
seconded by Nokha Dakroub

Be it resolved, that all questions asked during Item 4, Chair's Request for Written Questions of Trustees, and Item 16, Public Question Period, continue to be recorded in the minutes of the meeting they are asked, along with the actual response given, and not the standard response of the Chair responded or administrators responded.

.....

The mover of the motion stated that, having the responses to the written questions from trustees and from the public printed in the minutes, will allow members to have access to helpful information. She read a poem.

Resolution No. 20-91 moved by Will Davies
seconded by David Green

Resolved, that Resolution No. 20-90 be referred to the Trustee Governance Committee.

.....

A trustee spoke against the referral, stating that only topics that are more complex and substantial, which require additional information, should be discussed by the Trustee Governance Committee. Vice-Chair Green indicated that the minutes are a legislated document of the Board, written in line with the Board By-laws, and these By-laws are expected to be reviewed by the Trustee Governance Meeting. He noted that, similar to other legislated institutions, the Board needs to follow processes when changes to the style of minuting meetings are to be instituted. Vice-Chair Green indicated that, by referral to the Committee, legal and other issues can be clarified to ensure that the appropriate actions are taken. Clarification was provided that a motion to change a By-law requires notice to be provided. A trustee suggested caution in providing responses to questions, particularly as legal or privacy issues need to be considered. In response to a question by the mover of the motion, Chair MacDonald clarified that the Trustee Review Committee reviews the Board's policies, whereas the Trustee Governance Committee will review the By-laws. He further noted the importance of waiting for directives from the Ministry following its review, as the review may require the Board to prioritize some issues over others. He confirmed that all recommendations of the Trustee Governance Committee need to be approved by the Board of Trustees.

Resolution No. 20-91 carried

Resolution No. 20-90 referred
(to the Trustee Governance Committee)

Trustee Lawton retired from the meeting at 21:15 hours.

13. Notice of Motion by Trustee Sohi re Review of English as a Second Language Program

Resolution No. 20-92

moved by Balbir Sohi
seconded by Nokha Dakroub

Whereas, the last review of the English as a Second Language (ESL) program was completed in 2013, and student demographics and needs have since changed;

And whereas, Peel DSB and Ministry reporting points to an achievement gap between Canadian-born English Language Learners (ELL) and foreign-born ELLs;

And whereas, the Board's Multi-Year Strategic Plan seeks to provide equity of access to learning opportunities for all students;

And whereas, families have raised concerns about appropriate assessment to determine opening of ESL profiles for students, proper monitoring of modifications and accommodations for ELLs, and consistent communication to parents of ELL students' success and next steps;

Therefore be it resolved, that the administration consider engaging in an ESL program review that takes into consideration concerns raised by families as well as relevant data about the achievement of ELLs in the Peel DSB.

.....

Trustee Sohi, the mover of the motion, stated that she is requesting that the administration conduct a review of ESL Step profiles as parents have brought forward concerns regarding the ad hoc manner in which these profiles are created for Canadian-born students, and have asked as to the types of assessments or criteria being used to identify a student requiring ESL support. The trustee remarked on the significantly higher number of ESL-profiled students in Brampton, as compared to Mississauga. She stated that the profiles of these students did not contain recommendations or next steps, there is no accountability, and ESL information is not communicated to parents. Trustee Sohi commented that parents indicate that ESL profile is detrimental as it limits access to some special education assessments. She asked that an ESL review take into consideration concerns raised by families, as well as relevant achievement data for Canadian-born ELL students. In response to a question from Vice-Chair Green, Trustee Sohi explained that she has not included timelines in her motion, as she is aware that the administration will be engaged in a French Immersion program review.

Trustees speaking expressed support for the motion, and offered comments relating to the need for criteria, policies and procedures to designate students as English Language Learners, and for consistent application of the criteria across Peel schools. It was noted that the review and development of policies may help to remove the stigma attached to being designated an ESL student. In concluding debate, the mover of the motion explained that equity and inclusivity must be considered and barriers affecting student success must be removed. She indicated that parents are dissatisfied that the assessment for ESL is an observation of language spoken at home. Noting that the last review of the ESL program was seven years ago, she suggested that this program is reviewed as frequently as French programs.

13. Notice of Motion by Trustee Sohi re Review of English as a Second Language Program (Continued)

Resolution No. 20-92 carried

14. Notice of Motion by Vice-Chair Green re Cancellation of Regular Meeting of the Board

Resolution No. 20-93 moved by David Green
seconded by Stan Cameron

Whereas, pursuant to Regulation 43/10 of the Education Act, the Minister of Education is reviewing the Peel District School Board and will shortly be issuing directives to the Board;

And whereas, the Board will immediately be seized with the work of implementing the Minister's directives;

Therefore be it resolved, that the Regular Board Meeting of the Board scheduled for March 24, 2020 be cancelled.

.....

Vice-Chair Green advised that, similar to reviews conducted by the Ministry of the York Catholic DSB and the Near North DSB, the directives that will be issued by the Ministry are expected to have tight timelines. He stated that although the motion calls for the Regular Meeting of the Board on March 24, 2020 to be cancelled, trustees are asked to hold the date to meet and discuss the directives.

.....

Resolution No. 20-93 carried

15. Recess

The Chair called for a recess at 21:50 hours. The meeting continued at 22:00 hours.

3. Response to written question submitted by Trustee McDonald regarding recognition of the International Decade of Peoples of African Descent (Regular Meeting of the Board, February 11, 2020)

.....

Referring to Item 16.2, Response to the delegation by Carol Deneka regarding religion in the public, secular school board, a trustee stated that the delegation had submitted a number of questions in the weeks prior to delegating, and the responses are still outstanding. Chair MacDonald confirmed that the delegation can discuss operational issues with Associate Director of Instructional and Equity Support Services, Poleen Grewal.

Referring to Item 16.3, a trustee spoke of her disappointment that nothing has been done to recognize International Decade of Peoples of African Descent.

18. Reports from Trustee Representatives on Councils/Associations

There were no reports.

19. Questions from Trustees

Student Trustee Arora referred to the news release from the Board reporting that all international trips during March break are cancelled due to Covid-19. She asked about trips scheduled after March break. Director of Education, Peter Joshua, advised that the situation is being carefully monitored and the Board is receiving guidance from Peel Public Health. Deadlines for cancellation of trips are being reviewed, and the matter is currently fluid. He indicated that he is also checking with other school boards to ensure consistency of action.

Trustee Dakroub asked whether letters written on behalf of the Board, indicate that it is written on her behalf. Director Joshua confirmed that letters relating to operational matters, or legislative matters will be sent by him, on behalf of the Peel DSB. Regarding a distinction between the Board of Trustees and Peel District School Board, Chair MacDonald indicated that letters signed by him are on behalf of the Board of Trustees, and those signed by the Director of Education are on behalf of the Peel District School Board. Trustee Dakroub referred to a recent letter to the member of the public, and indicated that her name is on the letterhead. Chair MacDonald indicated that legal advice can be sought. Trustee McDonald indicated that, since the names of the trustees are on the letterhead, it would appear that the letter sent by the Director of Education was sanctioned by the Board. She stated that letters sent by the Chair of the Board need approval of the majority of the Board to be sent, and asked that trustees be notified when letters of an operational nature which have political ramifications are sent.

Trustee Sohi referred to the precautions to be taken due to Covid-19 contagion, and she asked about the protocol in place for students and families returning from travel during March break. She acknowledged the privacy of personal information, but indicated that parents have been asking about whether they can be informed if students in the class have travelled outside the country. Director Joshua confirmed that the Board is in close touch with Peel Public Health and is following their guidance. Parents are being notified to be mindful, and should self-identify and self-isolate after out-of-country travel. He advised that the Board cannot exclude students from school, and will follow instructions from the health authorities if an elevated response is required. The advice from Peel Health has been to thoroughly wash hands with soap and water, which is more effective than hand sanitizer.

20. Public Question Period

Cheryl, a teacher in Peel DSB, asked each trustee to write a letter to members of the communities in their wards, as to how they would support the black community by taking actionable measures, and how they would gather support from their own communities to dismantle anti-black racism, even in communities without black students. The Chair responded.

20. Public Question Period (Continued)

Valerie, a French Immersion teacher in Peel DSB and a parent, stated that she was made aware through the media regarding the reduction of 30 Grade 1 French Immersion classes. Acknowledging that this is a trial and that the Board is reviewing the data, she asked as to Board plans regarding hundreds of students who will not attend French Immersion programs, which she opined is a human right in Canada. Explaining that she and other teachers were not asked to provide input in tackling the lack of French Immersion teachers, she asked whether additional measures could not have been taken before making the decision to cut FI classes. The Chair responded.

Sean Semper-Whyte thanked everyone for fighting for equity, balance and due-process.

Andrea Vasquez-Jiminez noted that a few weeks ago, members of the community had advised trustees and the administration about the harms of police presence in school. She quoted research that the presence of police has an opposite effect, and she asked whether the Board will remove the School Resource Officer program. The Chair responded.

Sharon stated that she has attended meetings and remarked on the need for further equity, and human rights training for staff, and trustees. She asked about the role and goals of the graduation coach program, and the schools to which they will be assigned. The Chair and administration responded.

Anuraddha Verma, stated that she has been a chair, and she asked the Chair for a self-evaluation on the practice of inclusive governance. The Chair responded.

21. Second In Committee Session

Resolution No. 20-96 moved by Will Davies
seconded by John Marchant

Resolved, that the Board move into a Second In Committee Session (22:45 hours).

..... carried

A motion by Trustee Cameron to continue the meeting beyond 23:00 hours was carried.

The Board moved back into Open Session at 23:10 hours on a motion by Trustee McDonald.

22. Adoption of the In Committee Report

Resolution No. 20-97 moved by Will Davies
seconded by Balbir Sohi
