3. Special Presentation by Mississauga Library Board

Chair of the Mississauga Public Library Board, Brad Hutchinson, and Rose Vespa, Director of Library Services, presented on behalf of the Mississauga Library system. Using a PowerPoint Presentation, they provided an update report on information, activities, and library services, which included: 2014 annual report data indicating an increase in library card holders, library collections, and questions answered; growth in attendance at youth programs and use of library computers; surge in social media followers; literacy initiatives; updated website and new promotional and marketing material including digital signage.

Rose Vespa spoke about the new Meadowvale Library which is under construction and expected to be completed in 2016, noting that it will offer open space, an outdoor reading café and collaborative workspace. She highlighted the digital activities offered by library services, partnerships with Region of Peel to engage young children in reading, and ongoing programs focusing on literacy. Rose Vespa provided information on the Green Packs initiative for children to develop eco-sense and learn about recycling and energy conservation. She commented on the continued partnership with the Rick Hansen Secondary School's robotics team for students of Grades 5 – 8 and Grades 9 – 12. Information was also provided on highly subscribed programs such as Computer Buddies, Reading Buddies, and free school bus trips organized for class visits to the library. Rose Vespa expressed appreciation for the invitation to Peel DSB's Kindergarten Registration Nights as an opportunity to introduce the Mississauga Library system to children for school readiness.

Brad Hutchinson advised that on October 21, 2015 the World Café Open House was held to allow interaction between the community and library team members, encourage discussions, sharing of ideas, and provide feedback. He thanked Trustee Dakroub for her contributions as a member on the Mississauga Library Board. Chair McDougald thanked the presenters and commended the programs and initiatives that help to keep children up to date on technology. Trustee Dakroub expressed appreciation to the Board for giving her the opportunity to represent Peel DSB on the Mississauga Library Board.

November 18, 2015**

Resolution No. 15-232 moved by Robert Crocker
seconded by Kathy McDonald

Resolved, that, Part 1 of the recommendations arising from a meeting of the Instructional Programs/Curriculum Committee, held November 18, 2015, be approved:

**1. First Nations, Métis and Inuit (FNMI) Report on Truth and Reconciliation
Commission
Calls to Action**

That, as requested by the Peel DSB First Nation, Métis and Inuit Education Advisory Circle, the Board write a letter to the Ministry of Education, to support the development of learning resources on Aboriginal peoples in Canada, and copy the letter as extensively as possible. (Appendix I, as attached to the Minutes)

.....

Trustee Crocker stated that on June 2, 2015, Justice Murray Sinclair brought forward the findings of the Truth and Reconciliation Commission with 94 Calls to Action of which 11 were related to education. He asked that the Board confirm its support of the Calls to Action, in particular 62.i. and 63.i. in the report, and respond to the request from the FNMI Education Advisory Circle through the Instructional Programs/Curriculum Committee, that the Board write a letter to the Ministry of Education and copy it widely. He thanked Krista Tucker Petrick, FNMI/Equity and Inclusive Education Resource Teacher, Principal of Riverside Public School, Paul Officer and Superintendent of Education, Joy Uniac, who are Co-Chairs of the Peel DSB FNMI Education Advisory Circle, and Poleen Grewal, Superintendent of Curriculum and Instruction Support Services, for their work to drive this initiative forward.

12. Consolidated Financial Statements as at August 31, 2015

Chair McDougald drew attention to page 4 of the report and advised that the Consolidated Financial Statements will be signed by the Chief Financial Officer and Chair of the Board. Reviewing the report, Controller of Finance Support Services, Tania Alatishe-Charles, noted a change in presenting the consolidated balance sheet and cash flow this year. She drew attention to Note 19, which indicates that certain comparative figures have been reclassified to conform with the financial statement presentation adopted in the current year.

Tania Alatishe-Charles stated that the main reasons for year over year variances are adjustments and grants received from the Ministry, and timing differences. She reviewed information in the report, highlighting savings due to labour action, increase in temporary borrowing and Education Development Charge (EDC) deficit, decrease in retirement and employee benefits payments, variance in net debenture debt, variance in capital assets and actual assets, and overall increase in provincial grants. In terms of expenses, she stated that there was an increase in expenses for instructional time, and for transportation due to some route changes. Controller Alatishe-Charles also commented on Note 20 in the report, regarding the Ontario Secondary School Teachers Federation (OSSTF) agreement that was ratified, which includes an early payout provision and she noted that no further information is available on other agreements.

14. Notice of Motion: Busing of French Immersion Students to Humberview Secondary School

Resolution No. 15-238 moved by Harkirat Singh
seconded by Stan Cameron

Whereas, consistent with Peel's commitment to equity of access,

And whereas, there is no public transportation in the Town of Caledon,

And whereas, busing will be provided to French Immersion students attending Humberview Secondary School, living within the boundary area designated for Mayfield Secondary School, effective September 2016 (Resolution No. 15-40),

Therefore be it resolved, that students attending the French Immersion program at Humberview Secondary School, living outside the regular school boundary areas designated for Humberview Secondary School and Mayfield Secondary School, be deemed eligible for transportation, effective September 2016.

.....

The mover of the motion, Trustee Singh, read the motion that had been brought to the November 9, 2015 Regular Meeting of the Board. Trustee Singh asked that Resolution No.15-40, approved at the April 28, 2015 Regular Meeting of the Board, be extended to include Brampton students who are in the French Immersion program at Humberview Secondary School and do not have access to public transportation in Caledon. He stated that these Brampton students do not have adequate transportation, and are not being afforded the same option as their peers in Caledon, which is not equitable. He asked trustees to support the motion. It was noted that an information report and map was circulated to trustees and the cost to bus these students is approximately \$ 16,000.

Trustees speaking offered varying opinions in support of and against the motion. A trustee remarked that Resolution No.15-40 should have identified all French Immersion (FI) students living outside the boundary area and that the resolution should have included all FI students at Humberview Secondary School. Trustees in support of the motion spoke about accessibility to programs, particularly where there is no public transit available, and hardships faced by parents due to lack of transit system.

A trustee expressed reluctance in supporting the motion, noting that parents were clearly informed at French Immersion information sessions, that secondary school FI students are not provided busing. Speaking in favour of the motion, a trustee described the boundaries for the students living in Brampton. A student trustee responded to questions of clarification from Chair McDougald with regard to the length of time and cost of travel to school. Trustee Singh concluded the discussion speaking about fairness and equity to students. Chair McDougald stated that the motion is effective September 2016 and will not affect this year's budget.

Resolution No. 15-238 carried

15. Notice of Motion: Busing of Extended French Students to Humberview Secondary School

Resolution No. 15-239

moved by Harkirat Singh
seconded by Stan Cameron

Whereas, consistent with Peel's commitment to equity of access,

And whereas, there is no public transportation in the Town of Caledon,

Therefore be it resolved, that students attending the Extended French (EF) program at Humberview Secondary School, living outside the regular school boundary area designated for Humberview Secondary School, be deemed eligible for transportation, effective September 2016.

.....

The mover of the motion, Trustee Singh, referred to the Ontario government's document on French as a Second Language which states that, the core French, Extended French, and French Immersion programs differ in intensity but share a common purpose, to develop students' oral communication, reading and writing skills in the French language. He stated that there is a common perception that if busing is approved for FI and EF then other regional programs will request busing. He explained that FI and EF historically have a national purpose, they are Ministry-funded programs and certificates are awarded for both programs. In terms of transportation and equity, he added that students deserve to have access to both programs.

Vice-Chair Nurse referred to a handout on estimated costs that was previously circulated to trustees, and inquired about the difference in cost of transporting nine students residing in Mayfield Secondary School boundary to Humberview Secondary School amounting to \$ 40,000, and the cost of transporting 13 students in the Brampton section amounting to \$ 8,000. Controller of Corporate Support Services, David Neale, explained that students residing in Mayfield Secondary School boundary are spread over a wider area, and cannot be transported on one bus whereas the Brampton students reside within a much smaller area and existing small buses can be replaced by large buses. Controller Neale responded to trustees' questions, clarifying that distances between pick-up points reduces the ability to use one bus and that integrated busing on a route reduces the cost.

Trustees in support of the motion spoke about accessibility to programs, particularly where there is no public transit available. Speaking in favour of the motion, a trustee stated that the Peel DSB boundaries include rural areas and that Dufferin-Peel CDSB provides transportation to all their EF programs. He added that of the three schools offering Extended French programs in Peel, Humberview Secondary School is the only one that does not have access to public transit. He reminded trustees about the differences between regional programs and the EF program stating that Extended French is a Certificate program funded by the Ministry, and regional programs are funded out of existing budget and recommended to the Board through the Regional Learning Choices Committee.

15. Notice of Motion: Busing of Extended French Students to Humberview Secondary School (Continued)

A trustee referred to the Trustee Singh's comments regarding FI and EF programs as Ministry-funded and she noted that secondary school High Skills Major programs are also funded by the Ministry. She commented that these students will find it inequitable that their transportation is not funded. She noted the significant cost per year and commented that funds spent on transportation reduces classroom funding and she stated that she does not support the motion. Another trustee agreed, noting that it is a program of choice and other Peel students pay for their transportation to programs of choice. Responding to a student trustee's question regarding reaching out to the Town of Caledon to assist with busing costs, Chair McDougald recalled previous unsuccessful attempts to work them with regard to safety of walking routes, for which municipalities are responsible. Further questions of clarification were responded to by the administration with regard to private busing and other busing options to reduce costs.

Concluding the discussion, Trustee Singh thanked trustees for their input. He stated that French Immersion and Extended French programs are very similar and there is a clear distinction between French programs and regional programs. He summarized that both French programs are Ministry-funded, students receive a certificate upon graduation, the coterminous board provides busing for French programs, and public transit to Humberview Secondary school is not available. Trustee Singh commented that parents will view it as inequitable if FI students are bused and EF students are denied busing. Chair McDougald stated that the motion is effective September 2016 and will not affect this year's budget.

17. Questions or Comments from Board Members

Trustee McDonald thanked Trustee Harkirat Singh for his assistance with the Santa Claus Parade.

Trustee Singh thanked the trustees for their input and for supporting busing for French programs at Humberview Secondary School.

18. Public Question Period

Catherine Soplet asked if the Peel Board will consider signing a petition to the House of Commons to reopen the 2010 Federal Poverty Reduction Plan and open a discussion about Citizen Appreciation youth tutor model. She stated that at the November 17, 2015, meeting, information about this petition was provided to the Peel DSB's Parent Involvement Committee. She advised that the signed petition will be sent to the Minister of Families, Children and Social Development to create a Canadian Poverty Reduction Plan. Catherine Soplet spoke of the petition's purpose in reaching the objectives of the Toronto Poverty Reduction Strategy such as Parent Reaching Out Grants. She read a brief history of the issue on poverty reduction in Ontario, and provided her notes to the Board following the meeting, which summarized a chronological list of presentations and deputation made to the government and City of Toronto. Catherine Soplet advised that she has presented the petition to Charles Sousa, MPP for Mississauga South, Peel Poverty Action Group, Refresh and Review Working Group of Peel Region, Inter-Faith Social Assistance Review Coalition, and the Peel Region Poverty Reduction Strategy. Chair McDougald responded.
